WHO CAN ATTEND?

The Facilitative Leadership Development Program is ideal for those wanting to make a positive difference in their organisations and in the lives of others. Whether you are a senior manager or executive, a business person or an individual working with others, if you want to improve your problem solving ability through the art of Facilitation this can be your solution.

'Partnering Transformation'

MBCI'S UNIQUE APPROACH

The MBCI Facilitative Leadership Development Program is designed to improve and enhance executive performance through the practice of facilitation and delegation to empower those around them. This program assists in developing leadership and management skills by developing greater self-awareness, improved problem solving and people skills.

AN EFFECTIVE COMBINATION: WORKSHOPS & FIELDWORK

MBCI's Facilitative Leadership Development Program will help transform you into an effective mentor leader in all areas of business, not-for-profits, schools, churches, government and community organizations. All organizations need effective leaders who empower others to find solutions, expand their horizons, question assumptions, examine beliefs and values to ensure the best outcomes for individuals and their organisation. This practical training program prepares you in the use of sound principles of facilitation through the 3 days of workshops and the 6 months of one-on-one training.

The Workshops

The program includes 24 hours of intensive and interactive group workshops covering 6 modules over 3 days. These modules are designed to encourage personal and group interaction, in a framework that allows individuals to contribute and to learn from each other, as well as the MBCI Facilitators. During these days you will be equipped and empowered through the interactive learning environment.

THE WORKSHOP PACKAGE

- 24 hours over 3 days, 6 modules of interactive workshops.
- Training materials and manuals.
- Morning/afternoon tea and lunch.

The One on One Field Work

This additional part of the training is available after the workshops and consists of 24 hours of personalized one-on-one mentoring sessions run over 24 weeks (six months). The sessions will be facilitated by an MBCI accredited mentor. The one-on-one phase is the experiential phase where you will experience first hand a live mentoring relationship with an MBCI Accredited Mentor. During this phase you will witness the use of the various tools used by MBCI Mentors and their practical application in real life problem solving situations.

CERTIFICATION

A Facilitative Leadership Development Program certificate will be awarded to every participant who completes both the 3 days workshop and the 6 months one-on-one mentoring fieldwork support. For those who attend only the workshops, a Facilitative Leadership Development Workshop certificate will be awarded after completion of the workshops.

MENTORS AND BUSINESS COACHES INTERNATIONAL

MBCI is a worldwide network of experienced, accredited Professionals carefully selected and trained. We deliver solutions to organisations and individuals by providing facilitation, mentoring and coaching, enabling them to reach their God given potential in leadership and prosperity. You'll find in us the ethics and integrity you would expect and deserve.

An international team from Sweden and Africa will deliver the three days workshop.
